## Some Important Guidelines

Wedding Aisles ceremonies are designed so that every detail is taken into consideration, which allows you to relax and simply enjoy your special day. Please review the following information on how to arrange a Wedding Aisles ceremony. Due to the program's popularity, please call to check the availability of ceremony dates prior to reserving your cruise vacation. Please see our full Wedding Aisles brochure for complete program details.

- A Wedding Aisles Planner will gladly place a 72-hour hold on your selection.
- The couple must be sailing if they would like to hold a ceremony onboard and must confirm their cruise vacation prior to arranging their ceremony. The booking number is required at time of booking.
- A Commitment Ceremony is a meaningful ceremony for adult same sex couples. The purpose of the Ceremony is to make a public declaration of life-long commitment, love and dedication between two

people. A Commitment Ceremony does not have any legal implications and does not provide you with any legal rights or responsibilities.

- Ceremony packages, taxes and surcharges must be paid in full at the time of booking. Additions or changes are not possible less than forty-five (45) days prior to your sailing. Wedding Aisles provides all professional services such as photographers, entertainment, cakes, beverages, fresh flowers, etc. No outside vendors and/ or services are permitted.
- Wedding Aisles strongly recommends that parties who are getting married on the day of sailing arrive at least one day early to avoid late flights, traffic, etc. on their ceremony day. In the event of any travel delays, your ceremony may or may not be performed due to time constraints. In some ports, NCL usually offers a Day Prior program for guests arriving the day prior to sailing.
- Prices, packages and policies are subject to change without notice and are non-negotiable.
